Player Development Program

“Master the Ball. Master the Game.”

■ PROGRAM PHILOSOPHY

At Eagle Stars, development comes before results. We focus on building complete players through:

- 1 Ball Mastery (confidence on the ball)
 - 2 Game Awareness (scanning, decision making)
 - 3 Game Intelligence (understanding space, timing, options)
- ➡■ Simple actions. High-level thinking. Real game impact.

■ CORE DEVELOPMENT PILLARS

1. *Ball Mastery*

- 1 Close control (tight spaces)
 - 2 Dribbling with both feet
 - 3 Change of direction (your key skill)
 - 4 Turns, fakes, body feints
 - 5 First touch under pressure
- **Goal:** Player never panics on the ball

2. *Game Awareness (Scanning)*

- 1 Shoulder checks before receiving
 - 2 Awareness of pressure & space
 - 3 Knowing next action early
 - 4 Body positioning when receiving
- **Goal:** Player plays faster without rushing

3. *Game Intelligence*

- 1 When to pass, dribble, or turn
 - 2 Recognizing overloads & switches
 - 3 Playing out of pressure
 - 4 Positioning between lines
- **Goal:** Smart players, not robotic players

4. 1v1 Dominance

- 1 Beating players off the dribble
- 2 Protecting the ball (shielding)
- 3 Defensive body positioning
- 4 Timing tackles

■ **Goal:** Win your moment

5. Decision Making

- 1 Quick decisions under pressure
- 2 Choosing simple vs risky actions
- 3 Playing forward vs safe

■ **Goal:** Right decision, at the right time
